Step 1:

Choose location.
The window pole banner must be installed on the surface of a window so that the bottom of the window pole banner is **AT LEAST 7 FEET FROM THE GROUND**. This distance should prevent any pedestrian contact. (See diagram).

NOTE:

Do not place above any doorways!

GROUND LEVEL

Step 2:

After choosing the location, unroll the window pole banner. Before installing, make sure the surface of the window is clean. Moisten the suction cup area and place securely on the window.
